SPECIFICATIONS

Dimensions: 28" x 13" x 16"

Weight: 45 lbs.

Material: Mild steel made in the USA

Description: SnowMasters' first smoke effect. Years of research have gone into making the first compact self contained ring vortex generator. Known in the industry as a ring rocket, SnowMasters has made great advancements making the unit self contained and compact. This unit can be truss mounted and angled in any direction. Perfect for chimney effect, great for night club dance floors and an incredible light effect. DMX onboard and hard wire remote. Can be set on a timer. The coolest new effect in decades.
